

**RESOLUTION 2022-01**

**A RESOLUTION OF THE UPPER MONTGOMERY JOINT AUTHORITY,  
MONTGOMERY COUNTY, PENNSYLVANIA,  
AUTHORIZING THE ESTABLISHMENT FEES FOR TV INSPECTION OF PRIVATE  
SEWER MAIN LINES AND LATERALS**

**WHEREAS**, Upper Montgomery Joint Authority (hereinafter “UMJA”) is a municipal authority organized and existing under the Pennsylvania Municipality Authorities Act of 1945, as amended; and

**WHEREAS**, UMJA has constructed, owns, and operates sanitary sewage collection and treatment facilities in East Greenville, Pennsburg, and Red Hill Boroughs, and a portion of Upper Hanover Township, Montgomery County, Commonwealth of Pennsylvania; and

**WHEREAS**, Article III, Section 11 of UMJA’s Rules, Rates and Regulations require inspections of privately owned sanitary sewer laterals and mains as part of the development and construction of new structures and the transfer of ownership of existing improved parcels; and

**WHEREAS**,UMJA has established that certain fees for inspection services to be performed by UMJA’s personnel or contractors in order to meet the requirements of Article III; and

**WHEREAS**, UMJA desires to clarify existing fees and establish new fees for the use of television inspection equipment to inspect newly constructed or existing privately owned sanitary sewer mains and laterals.

**NOW THEREFORE**, be it **RESOLVED**, and it is hereby **RESOLVED** that the Board of Directors adopts and revises the UMJA Fee Schedule as follows:

1. Paragraph 1 of the UMJA Fee Schedule attached to the Authority’s Rules, Rates and Regulations shall be revised as follows:

“1. Connection and Television Inspection Fees.

a. **Connection Inspection Fee.** \$300.00

The minimum fee for the inspection of any connection to the Sanitary Sewer System shall be \$300. If physical changes to the existing sanitary sewer main must be performed, the minimum fee shall be charged plus time and materials using the labor rates set for below.

b. **New Construction Visual and Televised Inspection Fees.**

- |    |   |              |
|----|---|--------------|
| 1. | New residential lateral visual inspection*                                | \$200.00 ea. |
| 2. | Commercial & Industrial lateral visual inspection*                        | \$200.00 ea. |
| 3. | Commercial & Industrial lateral connection visual inspection to mainline* | \$300.00 ea. |
| 4. | Mainline visual inspection**  | \$2.25/L.F.  |
| 5. | Mainline televised inspection***  | \$4.50/L.F.  |
| 6. | Manhole coring inspection   | \$250.00 ea. |
| 7. | Manhole inspection  | \$500.00 ea. |
| 8. | Tap inspection  | \$300.00 ea. |

\* Visual inspection shall be for laterals installed but not been covered and UMJA personnel can observe the lateral with the naked eye. This fee includes the cost to observe the pressure test of the lateral.

\*\* Visual inspection shall be for mains and mainlines that have not been covered and UMJA Personnel can observe the lateral with the naked eye. The fee charged for UMJA's inspection shall be based on the linear feet of main inspected.

\*\*\* Televised inspection shall consist of the use of a television camera to visually inspect the main and/or mainline. The fee charged for UMJA's inspection shall be based on the linear feet of main inspected.

c. **Existing Residential Televised Lateral Inspections.**

1. Accessible from the lateral. \$100.00 ea.
2. Accessible from the Main. \$200.00 ea.

Where UMJA personnel cannot access the lateral to be inspected from the lateral and must access the lateral from the main.

**RESOLVED AND ADOPTED** this 11<sup>th</sup> Day of January 2022.

UPPER MONTGOMERY JOINT AUTHORITY
