Non-Emergency Sewer Line Replacement & Repair

- Notify the borough or township and obtain necessary permits.
- Call the PA. ONE Call system AT 1-800-242-1776 Before you dig.
- Do not begin work until Permits have been issued (Except for Emergency Repairs)
- Trenches **must** remain open to be inspected. Any work covered will be required to be exposed for inspection.

Emergency Sewer Line Replacement & Repair

Any work to be done after hours as an emergency will require a permit application the following business day. Trenches **must** remain open to be inspected; proper plating or safeguarding of the work area is required. Any work covered will be exposed for inspection.

All inspections must be completed Monday- Friday between the hours of 7:30 AM – 3PM
